OFFICE GUIDELINES

Mark A. Kujiraoka, D.D.S.

Our philosophy is to provide the highest quality of patient education and dental care to all patients. Our hope is by providing you the following information we can prevent misunderstandings to ensure you encounter a positive experience.

Please feel free to let us know if you have any questions or concerns.

EXPECTED PAYMENT

To keep our fees as low as possible, we ask that payment be made at the time of service. An estimate will be prepared in advance to ensure you the opportunity to plan for your dental care. We believe whether you privately pay or have dental insurance, everyone deserves the care they need and want. It is necessary to provide accurate insurance information so estimates can be as accurate as possible.

DENTAL INSURANCE

We are happy to file your dental claims to assist you in receiving the full benefits of your coverage. We request that you be familiar with your insurance benefits, and provide us the correct information to assist you. We will accept the estimated insurance payment directly from your insurance company provided payment is received within 30 to 45-days.

Your insurance is a contract between you, your employer, and the insurance company; therefore, we cannot guarantee coverage or eligibility. Not all services are covered benefits in all contracts; therefore, you are ultimately responsible for the total amount of your dental fees. The treatment recommended for you is indicated regardless of your dental insurance benefits, deductibles, limitations, or maximums.

CANCELLATIONS

We consider all appointments confirmed when they are reserved. We do not double book with anticipation of patients not showing for their needed dental care. Our schedule remains open yet fully staffed when patients cancel or do not show. We require a 48-hour advance courtesy notice so there is sufficient time to offer your appointment to another patient.
